

MY WISH FOR THE YEAR OF RABBIT

My aunt's going to give birth to her baby boy in March. I hope all goes well with her.

(Zara)

My mother wants me to be a rabbit - that is to be reliable, alert, brave, brilliant, initiative and thoughtful. (Pamela)

I will buy my lovely sister a RABBIT - racket, abacus, bicycle, bonnet, ice-cream and teddy bear. (Chloe)

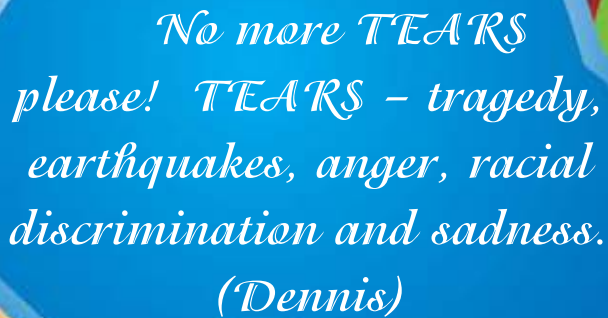

Forget about the past and work hard for your plans! (Vivi)

I want more MONEY - miracles, opportunities, nephews, energy and years to live on!

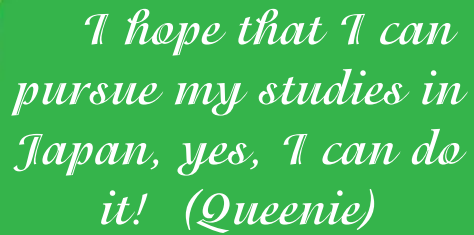

(Tiger)

Please give more strength to my uncle, I hope he is strong enough to fight for health!

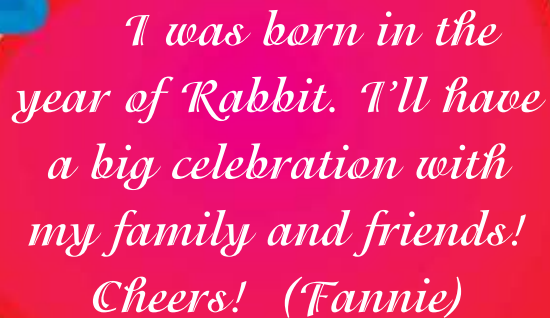

(Sonia)

*No more TEARS
please! TEARS – tragedy,
earthquakes, anger, racial
discrimination and sadness.
(Dennis)*

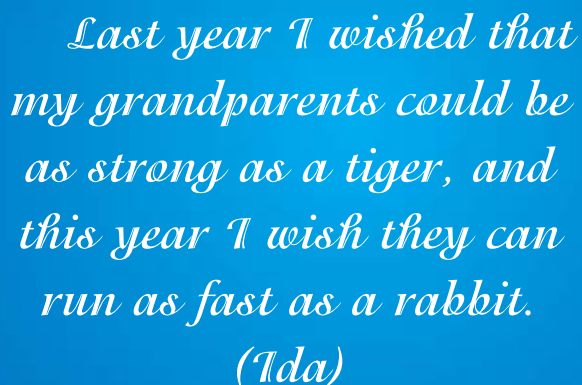

*I hope that I can
pursue my studies in
Japan, yes, I can do
it! (Queenie)*

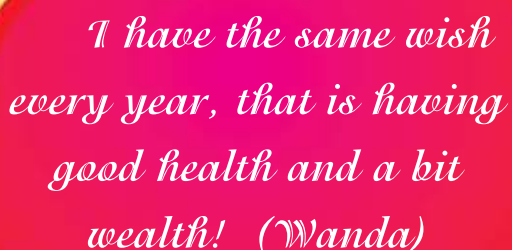

*I was born in the
year of Rabbit. I'll have
a big celebration with
my family and friends!
Cheers! (Fannie)*

*I wish everybody in
all parts of the world
can live in harmony!

*Last year I wished that
my grandparents could be
as strong as a tiger, and
this year I wish they can
run as fast as a rabbit.
(Ida)*

*I have the same wish
every year, that is having
good health and a bit
wealth! (Wanda)*
