

No housework in Mother's Day

Mother was cleaning the kitchen after dinner. Her son said to her, 'Mum, you should leave the housework now because today is Mother's Day.'

Mother was very happy and she started to dry her hands.

But her son soon added, 'Mum, clean the kitchen tomorrow then!'

The blunt scissors

Mother mumbled while mending her clothes. 'I sharpened the pair of scissors yesterday but now it is too blunt to cut the cloth.'

Father replied, 'Oh, how strange, it was sharp enough for me to cut the iron plate this afternoon.'

Camping in the wild

Jason and Tomson went camping in the wild. At midnight, Jason woke Tomson up and said, 'Tomson, look up!'

Tomson shouted happily, 'Oh, the sky is full of beautiful stars, it's wonderful!'

Jason replied in anger, 'Tomson, guess why we can see the stars, OUR TENT WAS STOLEN!'
